

The Economic Commission for Europe of the United Nations Economic and Social Council evaluated the organization of summer schools concerning "Sustainable Development and the Environment", that are being held since 2004, as good practice within the 10 Years Framework of Programs on Sustainable Consumption and Production Patterns. The good practices were presented during the Fourth Regional Implementation Meeting on Sustainable Development (RIM-4) of UNECE, which took place at the Palais des Nations, in Geneva, on 1<sup>st</sup> and 2<sup>nd</sup> December 2009.
